To

The Elecl. Commr. with the Govt. of Bombay.

Sub:- Setting up of insurance fund in respect of Grid Schemes.

Please see para 10 of the Report of the P.A.C. Committee enclosed herewith, item No. 6 of Appendix I and item No. 5 (ii) of Annexure C thereto and submit proposals for setting up insurance fund in respect of The Grid Schemes which have gone into Commission. It is presumed that in case of important and valuable plant and machinery manufactured and received from abroad, contractors are invariably instructed to insure the same during construction against destruction or damage by fire, floods, storms etc.

D.A.Report. 2. The copy of the report forwarded herewith may please be returned.

Sub:- Setting up of Insurance Fund in respect of Grid Schemes.

Ref:- Government letter No. 3514/ 48-El(1) dated 29th December 1950.

On the basis of the prevailing rates for insurance as charged by the leading Insurance Companies, it is observed....

observed that the overall percentage on account of -- insurance premium works out to about 0.2% of the total capital cost of the sanctioned Grid Schemes. It is, accordingly, suggested that an amount equal to 0.2% of the total capital cost may be set aside as insurance fund in respect of the Grid Schemes.

It is confirmed that the major important plant and machinery, manufactured and received from abroad, are insured through the contractors for the value of the plant and materials against destruction or dam-age by fire, earth-quake, flood, storm, riots, etc. until the plant is taken. over. In this connection, a reference may please be made to Clause 22 of the General Conditions of contract for plant, machinery, etc. of this Department.

The copy of the report is returned herewith as desired. It is requested that a copy of the Report may be furnished to this office for record.
